Country of origin - Afghanistan
Year of admission - 2020

The foreign students' association met on 7th April 2022 and shared their proposal with Principal Dr. Kalpana Bhakuni to allow them to be called WAVES as well as desired to have their annual newsletter/magazine. It was suggested that the association has two activities per semester and one annual cultural trip for understanding India. They decided to have an active Insta handle to showcase their activities. Nouresha took up the responsibility of the convenor and formed a whatsapp group for constant connect. They had an online meeting on 28th April 2022 for planning for the activities in the forthcoming semester. Mr. Ansari from

Administration is connected with all students for the official support. Dr. Geetesh Nirban is assigned the responsibility to look after the matters related to foreign students. After Nauresha's graduation, Tenzin Dedan and Prashashti Aryal will be the convenors.
