All the students who have cleared the Advance Diploma entrance exam have to wait for the DIPLOMA results of the academic session 2019-20 of University of Delhi to be announced before submitting their forms. They have to provide the document with their name highlighted where it appears in the list of successful candidates on their college list (just the page where their name appears) along with other required documents.

All the students who have cleared Diploma entrance exam can submit their forms along with the other required documents. Though, submission of forms doesn't ensure the admission. They have to wait until their names appear on the admission list.

Invalid Candidature:

The candidature of the male students for the French Advanced Diploma entrance exam could not be considered as we are basically a girl's college and do not admit boys. They may try in any of the Co.ed colleges.
